Steven & Gwen Anderson
Liebenzell
Global Partners in Ecuador

About: Steven and Gwen are a young missionary couple who have been married for 8 years and have four children, Atticus, Matthias, Elias, and Baby Ellen. Working together with Liebenzell USA, they moved to Ecuador in 2025 and are right now in the process of building a house out in the jungle. This will allow them to move out to the northern mountains of Ecuador so that they may work full-time with the Church plant in the town of Palmira. This Church plant is to an unreached people group called the Awa people. Their ministry is focused on discipling the new believers in this unreached people group. In such a remote area of Ecuador, Steven and Gwen have the conviction to preach the gospel and share God's good news with those in need. Steven said, "We can't imagine dedicating our lives to a more worthy purpose than that of bringing people the good news of the Gospel of Jesus Christ!"

Prayer Requests:
Prayers and Praise for the Anderson's
newest addition to the family, Baby Ellen!
Prayers for Steven to continue to progress in his Spanish Acquisition. He has a goal of reaching level 4 in Spanish (preaching level) by the fall of 2026.
Pray for their house building project in Palmira; that it would progress well and that God would bless it!
Pray also for God to continue to move amongst the Awa people and that the power of the gospel would transform their lives.

Paul & Donna Tocco
Word Ablaze Ministries
Global Partners in Kenya

About: Paul and Donna Tocco, founders of Word Ablaze Ministries, have been missionaries in Kenya since 1993. Their purpose is to help the people of East Africa receive Jesus Christ and become disciples. They want to see the lives of others changed by His love and power – just as their lives have been changed. Through the training that happens at the Word Ablaze Bible Institute, disciples and leaders are prepared to share the love of Christ to the nations of East Africa. The Tocco's outreaches include teaching and training pastors and leaders; community development; evangelism; and outreaches to the poor. Through their diverse mission outreaches, the Tocco's have traveled extensively teaching, preaching, and showing the love of God to the African people.

Prayer Request: The Tocco's are very thankful for our Crossing family and their partnership through prayer and support in reaching East Africa and request that you continue to pray for the pastors and leaders to be transformed by the power of His Word and Spirit, so they continue to multiply in this part of the world.

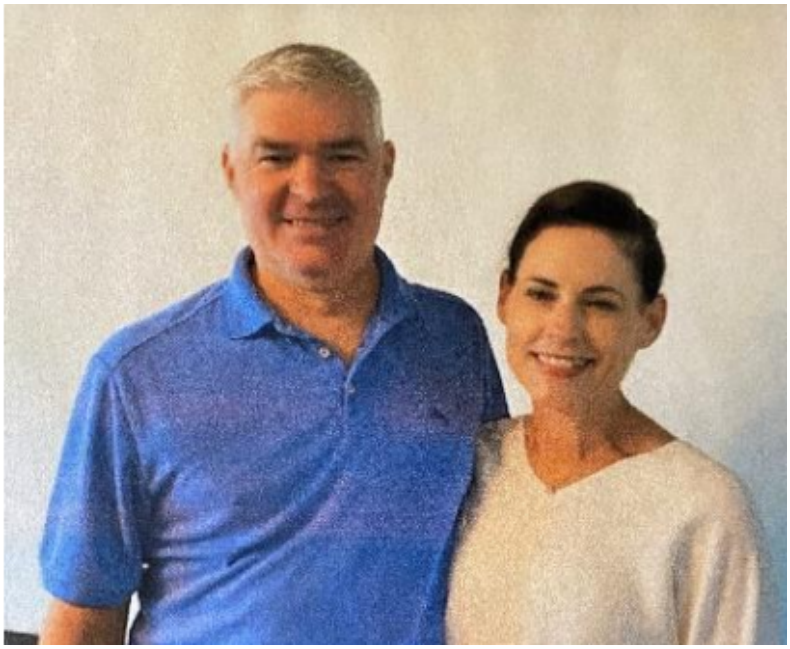
Prayer Request: Pray for Muslims around the world and in the United States; that the seeds sown would fall on good soil and that growth would not be choked out by persecution and hardships.



Jim & Jenifer Snider
Cast Your Cares

Serving in Kensington, Philadelphia

About: The Sniders have served the poor in Kensington through their resource center since 2002, starting the “Cast Your Cares” ministry as an answer to feed the hungry, clothe the naked, and share the gospel with the poor (Isaiah 58). In addition to an established food cupboard that many neighbors depend on, CYC serves a weekly Saturday afternoon meal that feeds over 100 people, prepared by various churches and volunteer groups. They are liaisons between the community's needs and those providing services to them, which might include financial counseling, mentoring, health and human services, and drug and alcohol counseling. They have developed relationships with their hurting and hungry neighbors while providing opportunities to pray and serve them in any way they can.

Prayer Request: The Sniders request prayer that the hearts of organizations/individuals would be touched to help with the construction of the ministry center expansion, as well as continued financial provision to resource them for this fiscal year.
