WOMEN'S CONFERENCE EVENT

Amanda Camille is a singer-songwriter and worship leader based in central New Jersey. Growing up, Amanda spent much of her youth serving at the church her parents started — Life Mission Worship Center in Perth Amboy, NJ. It is here where Amanda developed a passion for worship ministry.

Amanda began sharpening her songwriting skills on several projects with Maverick City Musica, having written “Conmigo” on their debut album, “Cómo en el Cielo,” and various songs on their Dove Award nominated album, “Venga Tu Reino,” in 2022.

In between leading worship services at her parents’ church and Christ Church USA, where she is currently on staff, Amanda continues writing and producing her own music with one simple desire— to minister to the heart of God.
